

SAVE THE DATE  
Thursday, October 30th

7:00 - 9:00 PM

New Bedford Public Library  
613 Pleasant Street  
New Bedford, MA

Come learn about clean-up and dredging projects in New Bedford / Fairhaven Harbor. Stay involved and informed as the U.S. Environmental Protection Agency (EPA), the Massachusetts Department of Environmental Protection (Mass DEP), and the New Bedford Harbor Development Commission (HDC) report on the superfund clean up, navigational dredging and Confined Aquatic Disposal (CAD) cell technology.
